  - What does this mean?
SeaPort-e to SeaPort-NxG

- Single NAICS (541330)
- Removal of Zone Presence Requirements – All MAC holders will get all zones
- Grouping of functional areas
- Off-ramp process
- US Navy Experience, as either prime or sub, in order to win MAC - Limit vendor entry to those that will bid on work to increase quality competition and reduce administration costs
- Mandatory Gov’t User compliance with SOP to increase standardization and reduce cycle time
